To the **unprecedented** Class of 2022,

Your four years at Westwood High School have been unlike any before you. While the pandemic unquestionably left its mark on your high school experiences, you learned to never take opportunities for granted and to flourish in the face of seemingly unending change. You went from navigating triple lunches, to no lunches at all, to open campus privileges. From classrooms, to Zoom, to hybrid, to senior year. This year, your final year as WHS students, was a year of reclamation and innovation. You brought amazing energy back to our classrooms and the Den, unparalleled talent to productions of *Sense and Sensibility* and *Mama Mia!*, history-making victories to our athletics programs, and reimagined traditions like the Boat Cruise and the Prom. As you forged your own paths, you prioritized relationships with your classmates, teammates, and teachers. The past four years have taught you that movement and progress are inherently necessary, and that our strength lies in connecting with and supporting others. Throughout your time at WHS, you demonstrated commitment to your learning, your futures, and especially to one another. Your teachers, families, and I have seen first-hand the strength, curiosity, kindness, and daring you have embodied to keep going over the past four years. We are so proud of everything you've accomplished, and so confident you're ready for whatever lies ahead. **Congratulations!** - Ms. Davenport

2022 Yearbook Dedication

The Class of 2022 chose Marie because of all of the positivity that she brought to their day. It was a fitting dedication as both the seniors and Marie depart WHS.

Marie Maciejko

Marie has always been a kind face to look for at WHS, She always kept students in line while still making them feel welcome and heard.

Always a friendly face to make the day better.

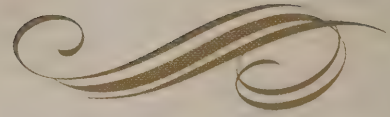

Marie has had such a positive impact on the Westwood High School community over the past four years. She has never failed to put a smile on everyone's face and with her retirement it is only appropriate for Marie to receive the dedication.

She is amazing,
and we will miss her dearly.

Happy Retirement Mrs. Singleton

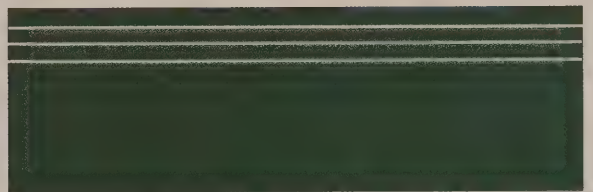

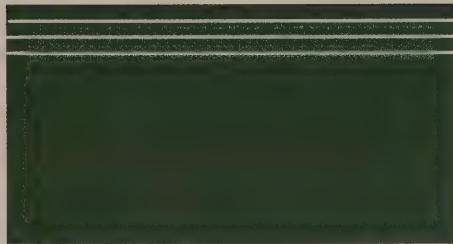

Denise has been a dedicated Westwood High School employee and a coworker who has always strived to make the workplace celebratory and fun. We are so happy she will have the time to pursue her passion for travel and adventure in retirement. - Ms. Drury

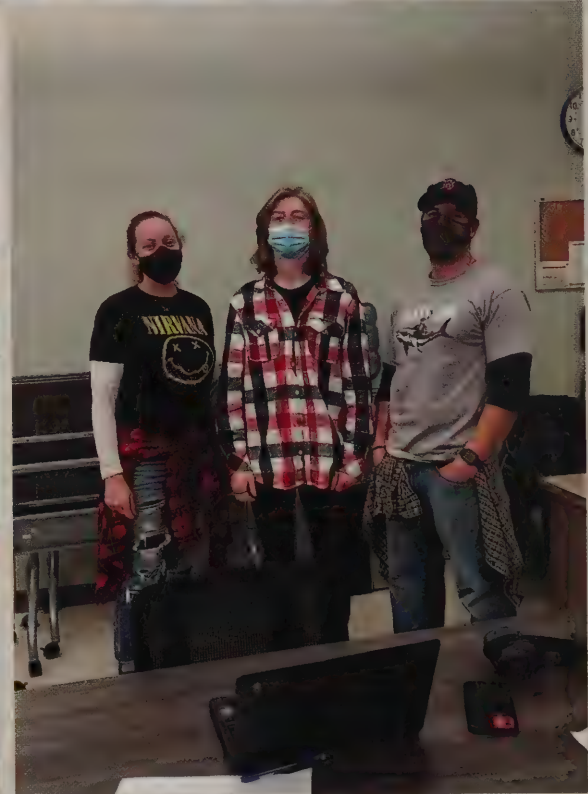

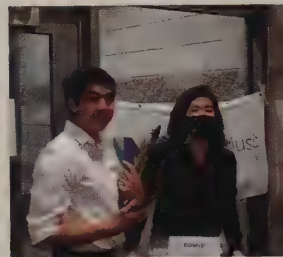

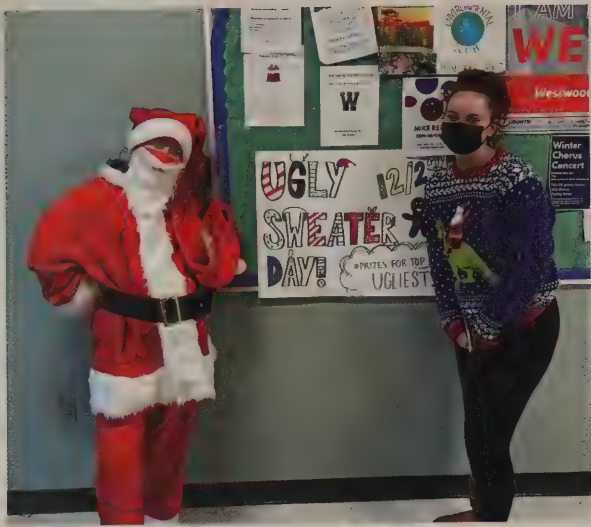

Westwood High School is losing a great part of our team with the retirement of Mrs. Singleton. From the first time I met her, Denise has sought to be nothing but warm and helpful. She was instrumental in the success of MCAS every year. She will be missed at WHS and we miss her glowing face at the front desk. - Mr. Millet

One of Denise's trademark qualities is her zest for life. Denise is a fearless soul who is always on the move, ready with a laugh, and excited to try something new. She loves to be active and outdoors; biking, swimming, skiing, walking, or doing yoga. Along with her loving husband and three awesome children, these are the things that make her happy. There is always fun to be had with Denise! One just has to catch her first!! We will miss you! Ms. Hanlon

Julia Marie Russell-our Force of Nature

"She is free in her wildness, she is a wanderess, a drop of free water. She belongs to no man and to no city. She knows nothing of borders and cares nothing for rules or customs. 'Time' for her isn't something to fight against. Her life flows clean, with passion, like fresh water."

-Roman Payne

watch you take the world by storm.*

"What I want, when I want it, because I want it"
